We may not have it all together, but together we have it all.

The difference between success and failure is a great team.

QUOTE: "Alone we can do so little, together we can do so much."
—Helen Keller

QUOTE: "The strength of the team is each individual member. The strength of each member is the team."—Phil Jackson

QUOTE: "Coming together is a beginning. Keeping together is progress. Working together is success."—Henry Ford

The character you possess during the drought is what your team will remember during the harvest.

Teamwork divides the task and multiplies the success.

Don't aspire to be the best on the team. Aspire to be the best for the team.
